

THE FUNCTIONAL BAROMETER PAIN DRAWING

The Pain Drawing is developed by senior physician Jan-Rickard Norrefalk MD, PhD. Specialist in Pain Management, Rehabilitation Medicine and Occupational Health in cooperation with Karo Pharma AB

Pain Drawing

Mark all the places where you are experiencing pain. Write letters on the picture according to the legend below. If you find it difficult to determine how the pain feels, just mark with X instead.

Dull pain: D

Burning pain: B

Shooting pain: SH

Throbbing pain: T

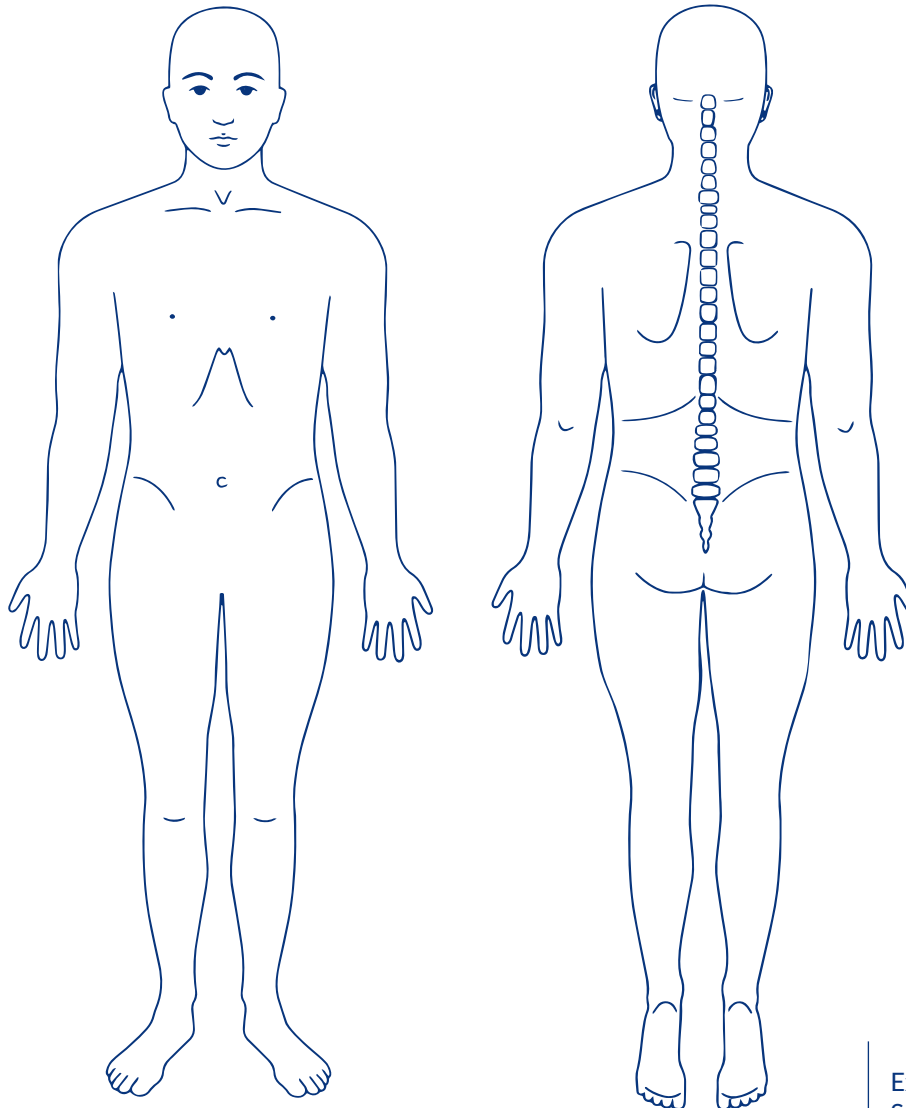

Stabbing pain: STA

Stinging pain: STI

Pressure pain: P

Cramping pain: C

Other pains, or difficult to determine: X

Example of a
Stinging pain
